## 28. If you have any additional comments on the course you may write them here:

**If you have any additional comments on the course you may write them here:**

---

All of the course is not completed yet, but what we have done so far I really like.

---

Examination takes place in december, so it's hard to evaluate it now.

---

Well structured course despite including many different topics. There is a clear link between the lectures and I think this course was very well taught.
