BURCHARDI, MR KONRAD BURCHARD

**Question:** Please write below aspects of the class teaching that have pleased you most and describe briefly why these aspects have pleased you.

- His explanations were very clear.
- Going through in a structured manner and linking up the questions and the underlying concepts which aren't obvious prima facie when we were doing the work. Entertaining the most trivial questions by Konrad in good faith (of pedagogy) which I think makes him a good tutor.
- very clear in pointing out the interest of the different questions, and how they were related to the topic

**Question:** Please write below aspects of the class teaching by that have most displeased you and explain briefly why these have displeased you.

- no
- Perhaps dedicating more time to elaboration rather than having question and answer sessions as those who are clueless would not respond, otherwise the questions are fairly obvious enough so time could be spent on furthering certain elaborations which I find is very helpful.
